**FC4HTRP Spring Session Wrap-up**

We hope that everyone had a great session. All the riders demonstrated great progress at the Spring Show, from riding skills to increased core strength and balance. Everyone had a great time too!

Keep an eye on Facebook; we'll post lots of pictures from the show as soon as our photographers are ready.

Now we're heading into Summer Session. Classes are only on Saturdays, but we'll pick up the pace with Horse Buddies to keep our pals healthy.

**Loch Moy Fundraisers in July**

So far this year, 11 parents and 6 program volunteers have worked 3 Maryland Horse Trails earning the program over \$3472.

**The next dates are: July 9 & 16.**

**POSITIONS AVAILABLE**

- Assist with directing traffic for the parking of horse trailers and spectators. We need 6 individuals to work in 2 shifts: 6:15 till 10:30, and 10:30 until 1:30pm
- At the entrance to the farm, ask for donations and pass out bags of peppermints for horses and a flyer about TRP. We need 3 individuals to work in 3 shifts: 6:15, 10:30, and 1:00pm

Competitors and spectators are very receptive to our needs. They know how expensive horse care is and how horses provide mental, as well as physical therapy.

Please let Debbie know as soon as possible, if you would be able to help and the time frame you would like to work. (FC4HTRP@aol.com)

**BB&T Work Day**

We want to say a huge "Thank You!" to the volunteer crew from BB&T bank. They cleaned, painted, and water-sealed their way around the ring. They also donated bright new cones, chairs, tables, and most importantly - safety helmets for our riders! What an incredible community partner. Be sure to let them know we appreciate their hard work and generosity when you stop by BB&T.

**May Volunteer Awards**

Each month we're trying to recognize a ring and a barn crew volunteer who have made special contributions to our program. Be sure to let Debbie and the instructors know when someone does outstanding work!

This month we recognized Kyleigh Littleton from the barn and Araminta Finn from the ring. You're awesome ladies! Thank you so much for all your hard work!

**Are you good at telling stories?**

We need help telling the story of how our program changes lives. Maybe you’re a parent who’s seen amazing progress in your child? Maybe you’re a sister who’s brought your brother out to ride since the program began? Maybe you’re a volunteer who witnessed an incredible transformation in one of your students?

Send us a quick story—two sentences up to two paragraphs, and a picture if you have one. We can use your stories in “thank you” notes, grant applications, the newsletter, and even on Facebook!
